## Oscar Health Plan

Carrier Responses	Resources
<p><b>Coverage</b></p> <p>Oscar will waive cost-sharing for its Individual and Small Group members for the treatment of COVID-19 through July 31, 2020 as outlined below. The cost share for COVID-19 care will be waived when delivered by in-network providers. At out-of-network facilities, the cost share will be waived if the member has obtained prior authorization. You need to have a positive diagnosis for COVID-19 for your care to be covered. If you are admitted to the hospital or need any follow-up care at an out-of-network facility, you or the facility should contact us as soon as reasonably possible. There are exceptions for prior authorization in some states, based on local regulations.</p> <p>Please also note that this cost-share waiver does not apply to post-acute care, long-term treatment, or related Durable Medical Equipment. If you have already paid for COVID-19 care with normal cost-sharing, you may be eligible for an adjustment on your claim. You can submit for this through your account, and contact your Concierge Team if you have any questions. Oscar is also waiving cost-sharing for screening for COVID-19 for all our members. This includes the cost of the visit associated with testing and the test itself.</p> <p><b>Telemedicine</b></p> <p>Oscar will cover medically-necessary telemedicine care with in-network providers, subject to cost-sharing as if done in-person.</p>	<p><a href="#">Oscar Health Resource Center (COVID-19)</a></p> <p><a href="#">Oscar Q&amp;A (COVID-19)</a></p> <p><a href="#">Oscar Doctor On Call</a></p> <p><a href="#">Oscar Concierge flyer</a></p> <p><a href="#">Online risk assessment</a></p>
