

## Earn More From Your NortonLifeLock Business

Thanks to the broker community, NortonLifeLock, a global leader in consumer cyber safety, protects more than 5,200 employers. To show their appreciation, NortonLifeLock is increasing their commissions to 20% for **new groups, effective 11/1/21!**

Help protect the digital lives of your groups — and earn more while you're doing it.

It's not too late to offer NortonLifeLock Benefit Plans this enrollment season:

- Employer-paid and voluntary plans can be implemented for any size employer.
- Employer-paid plans are non-taxable, non-reportable, and start at less than **\$3.99 a month** per employee.
- These benefits help protect employees' financial and emotional well-being as well as increase organizational cybersecurity.
