GO COMPASS
An HR Compliance Product

One-Stop Solution for HR & Compliance

GoCompass will equip your clients with powerful HR and compliance resources, including:

- **Interactive Tools** – Your clients will have access to time-saving solutions like a job description builder, compliance calendar, interview question creator, benefit document builder, compliance notice generator, poster builder, and more.
- **HR Hotline** – On-demand access to experienced HR professionals for real-time guidance and support.
- **Learning Management System** – A comprehensive course catalog featuring training on topics such as Diversity & Ethics, Workplace Safety, Harassment Prevention, and more—ideal for employee development and compliance.
- **Employee Handbook Generator** – Helps your clients create customized, compliant handbooks that clearly outline company policies in alignment with current regulations.
- **ERISA SPD & Wrap Document Generator** – Makes it easy for clients to generate required ERISA documents, helping them stay compliant and save time.
- **Library of 500+ Forms and Templates** – Clients will gain access to a wide range of attorney-reviewed resources, including ACA tools, required notices, and essential HR forms.

WARNER Pacific

GO COMPASS (powered by Zywave) can help your clients manage their human resources and compliance needs — and save time.
