

New Doctors in Your Area

Western
Health
Advantage

SOLANO COUNTY

We have **63 primary care physicians (PCPs)** to choose from across three medical groups in your area: NorthBay Healthcare, St. Joseph Hill Medical Group and Hill Physicians. These PCPs include Family Medicine, Pediatrics, Internal Medicine or General Practice.

Anyone can find a comprehensive list of clinical providers, specialists, hospitals on our Provider Directory **choosewha.com/directory** where they can filter/search by name, gender, provider type and/or specialty, accepting new patients, distance from a specified location, hospital and/or medical group affiliation, languages spoken, and effective date.

And, with our Advantage Referral program, members simply get a referral from their PCP, to see any specialist from any of our medical groups. Specialists include providers across the board from Audiology, Allergy and Immunology, to Cardiovascular, Gastroenterology, and General Surgery.

We welcome the following physicians to Western Health Advantage

Effective October 2020, we have 28 additional PCPs who are associated with Hill Physicians.
