**BREAKING NEWS FROM
COVERED CALIFORNIA FOR SMALL BUSINESS**

Consolidated Appropriations Act, Section 204 Pharmacy Reporting

“Under Section 204 (of Title II, Division BB) of the [Consolidated Appropriations Act, 2021](#) (CAA), insurance companies and employer-based health plans must submit information about prescription drugs and health care spending. This data submission is called the RxDC report.” [Read full CMS overview here.](#)

Covered California for Small Business (CCSB) serves as an administrator of our participating Health Plan Issuers and is not an insurance company nor an employer-based health plan. Therefore, CCSB is not subject to RxDC data collection requirements on behalf of our employer groups. However, we have been actively engaged with our Health Plan Issuers to understand their approach to meeting the RxDC reporting requirements. Below find a summary of approaches taken by our three plans. If you have further questions, we encourage you to reach out to the Health Plan Issuers directly.
